What is the Greater Minnesota Partnership?

The Greater Minnesota Partnership (GMNP) is a public-private nonprofit corporation committed to stimulating economic growth and prosperity in Greater Minnesota.

Who can join?

Greater Minnesota businesses, chambers of commerce, economic development authorities, nonprofits, higher education institutions and local governments are all encouraged to join the GMNP.

Why become a member?

The GMNP gets results! The GMNP has played a vital role in the passage of legislation related to key issues such as broadband access, job training, workforce housing, infrastructure and tax relief. By becoming a member, you will join dozens of others to help us become an even more effective advocate for Greater Minnesota businesses and communities. Members receive timely information about GMNP initiatives and economic development proposals being considered at the State Capitol, invitations to events, and a voice in shaping the GMNP's priorities and legislative agenda.
